WHEELER M. W. Mankato, Minn-JOBUSCH, F., St. Louis. HOG ISLAND REPORT FILED.

Hurley Has Document, but Is Now
in Europe.

Washington, Dec. 6.—In response to a motion adopted yesterday by the Senate Commerce Committee Chair, man Fletcher was advised to day by the Shipping Board that the report of the Attorney-General on the Hog island shippard inquiry is in the bands of Chairman Hurley, to whom it was transmitted by President Wham.

As Mr. Hurley is now in Europe, it was said, there are no indications when the report will be made public.

Reputations of manufacturers in regard to the way they live up to their agreements should be a matter of common knowledge to retailers so that bustness arrangements might be facilitated.

manufacturers in relation to the manner in which they fulfil agreements in accordance with samples snown, deliveries and other merchandising methods could be had on application. To keep tab on the business activities

of those who transact much trade with Wangrow, Samuel-I Tager. button merchants a bureau of informa-tion is to be established by the Button Merchants Association of America. Members of the association expect the bureau to facilitate business affairs with buyers.

Farwell Company.
Sales of ribbons show a large increase over the same period last year. Indica-

tions are that the silk market will remain firm; bright colors are most in de-mand. Mail orders are especially heavy or jewelry, toys and hollday goods. Marshall Field & Co. say current wholesale distribution of dry goods is about the same as during the corre-sponding period of 1917.

Brisk Business in Silks.

A sudden change from comparatively

and sellers now are receiving many Pastel shades and light colors seen to be selling best but purchases include substantially the full line. There is said to have been no reductions in price

No Signs of Lower Prices. Special Despatch to THE SUN. ROCHESTER, Dec. 6.—There is no sur-plus of shoes in stock and the demand, which is growing rapidly, is keeping pace with the best manufacturers can do in the way of output. Therefore from indications here prices will remain high for at least six months. After that there may be a gradual low-

ering, but in the meantime there is said

to be more probability of an advance

than a decline. Employees Get \$1,500,000 Bonus. CHICAGO, Dec. 6 .- Approximately 10,-000 employees of Marshall Fleid & Co. will participate in a distribution of nearly \$1,500,000, which the firm announced to-day it would dispense as extra compensation because of the in-creased cost of living. creased cost of living.

Wholesale and retail employees receiving up to \$2,500 a year and employed by the firm prior to July 1 this year are included in the distribution.

Those receiving more than \$2,500 a year

will be accorded individual treatment.
